

Manufacturer's warranty for selected products

An original will always retain its worth. An imitation will never be anything but a copy, a stolen idea. The difference lies in the details – not just the quality and more obvious variances but also the sensory and emotional appeal of the authentic product. An original is a lifelong companion and may well outlive you to be gratefully received by the next generation.

The high quality of our originals allows us to offer a ten-year warranty on selected products. The manufacturer's warranty applies to selected Vitra Originals purchased from an authorised dealer starting 1 September 2020. To activate the warranty, you must register your product at vitra.com/warranty within three months of the purchase date.
